Last Meeting ~ April 11

The program consisted of the auction committee talking about the recent auction; how the event went and garnering ideas on how it might be tweaked and improved upon in the future. **Chuck Bohn** spoke about how thankful he was for the club members' hard work in making it another very fine fundraiser. He said that a lot of people were in attendance to bid and participate. Over 490 dinners were served in the buffet line. The menu was great and attendees really enjoyed the food.

The menu will stay the same for next year. **Robert Huebert** estimated that the club will net about 39,000 to 40,000 dollars. Final numbers were not in. Ideas and comments were solicited from the members at the meeting and a good discussion ensued. **Jean Clemons** said that the food serving, buffet line and servers were all great. **Rod** mentioned that the live auction was a great success and brought in good revenue. The number of items was just about right.
