## Last Week ~ August 15

**President Joe Garza** arranged for the program to be on the topic of preparing for an active shooter situation. He invited Sgt. Jesus Rivera and Sgt. Gil Garza to come speak to us. They are supervisors with the Reedley Police Department and have had extensive training. Sgt. Rivera and Sgt. Garza said that basically there are three main variations of response to active shooter situations and they are run - hide - fight. They also said that citizens or students should be the very best witness that they can be, to tell the police the description of the person and where they are now, etc. At times it may be necessary to fight back with all that you have, including

throwing objects at the shooter, yelling, spraying them, rushing them, etc. The officers praised our local school district and Immanuel for training and having a plan in place for this type of situation.

**President Joe** showed the club a working version of the new "Rotary Field" sign that is going to be made. The new sign will be placed at the park, replacing the current sign. The new design looks very good.

The bell ringers were **Mike Franks**, for his and Denise's wedding anniversary, and **Harold Enns**, for his and Pat's 58th wedding anniversary.
