Last Meeting – December 6

Jason Martens introduced Pastor Jeff Harrington and Megan Ortiz from the Redeemers Church. Jeff is the executive pastor for the church. He and Megan have undertaken a big project to create a teaching and mentoring program for teen mothers and young adults. They have started a non-profit called “Serve Reedley”. Teen moms will be trained in all aspects of running a café. As a result, they will have the job skills needed to work in the private sector, earn good

money and gain dignity and self worth. Megan will be teaching graphic design to the teens as well. They will design and create t-shirts to sell in the café. The church will also run a program called the “180 Youth Center”. The program will offer educational support, teach guitar lessons, tutor, mentor and more. Jeff and Megan plan to start on a small scale and get everything running efficiently before expanding.
