Last Week ~ January 31

Jon Callahan introduced Reedley High School senior, Robbie. A little background on Robbie: He is a former Police Explorer and a current member of the Interact Club, the Madrigals and the Leadership Club. He also attended Camp Royal last year. Robbie gave us a presentation on the upcoming 2019 Fresno County Youth Summit. It is an event in it's 3rd year now, held at Reedley College. The Summit provides workshops to youth in such areas as: peer pressure, sexual health, human trafficking awareness, tobacco abuse, marijuana abuse, mental health and

more. They hope to have 300 to 400 students attend it on February 2nd. Robbie is an integral part of leadership of this event. They have been planning since last August. The Summit helps students in so many ways.

Also last week, **Tony Jewell** shared some thoughts with us about the topic of "Combat Medics" and their extreme importance during wartime. He also spoke on the subject of conscientious objectors and how they may find suitable ways to support our country, short of combat.
