Last Week ~ March 7

The program was given by Commander Bodine of the Reedley High School NJROTC Program. He said that there are 131 cadets in the program this year. The cadets practice drills, athletics, marksmanship and more. Commander Bodine brought along three of his cadets to give their perspective on the program, what it means to them and how it has changed their lives. Cadet Jamie Lynn Gonzalez is a senior this

year and plans to go to Fresno State next year. She feels she has really grown as a person. She wants to join the Air Force. Cadet Adam Toms is in his sophomore year. He has excelled since he decided to apply himself to what the program is all about. Cadet Daniel Richardson is a sophomore. He is in charge of the supply unit. He loves the ROTC and the camaraderie.
