Last Week ~ March 12

As a result of an executive decision to postpone the Rotary Track Meet, we didn't have the track meet preparatory program as scheduled. We instead had an informal discussion, as a club, on the matter of the upcoming Rotary Auction. The discussion was in regards to the Governor's directive to the state to cancel gatherings and events if they number over 250 people. It was a recommendation, not a mandate to do so. Several Rotarians spoke out about options and opinions as to what to do, such as: cancel the auction altogether, postpone it, work out an online, electronic type of auction or an alternate solution. The auction committee and board of directors ultimately decided to cancel

the auction for this year. The Covid-19 virus and all of the ramifications need to be respected. The Reedley Rotary places the highest priority upon the health and safety of the attendees of these events as well as our members.

Also last week, **Steve Just** returned from P.E.T.S. He said that he had a good and informative conference. He took in a lot of helpful information for his upcoming presidency.

A rousing rendition of the Happy Birthday song was sung for recent birthdays of members: **Steve Delaney**, **Tracy Arakaki** and **Jerry Buckley**. Happy Birthday!
