## Last Week ~ March 21

**Mike Franks** introduced us to his son, Derek Franks, President of the Fresno Grizzlies AAA baseball team. Derek joined the Grizzlies as a part-time employee in 2004. He quickly fell in love with the team and all that Triple A baseball is and stands for. Derek said that this team has gone through ups and downs. They have been affiliated with two winning teams, the Giants and the Astros, who both won the World Series. The Grizzlies are now affiliated with the Washington Nationals. Derek is also a part of the ownership group for the Grizzlies. They have invested in the team and the stadium. They have put three and a half million into

improvements and most recently added a kids splash park behind right field. Thank you very much, Derek, for contributing a suite to the upcoming auction for a bidder to win access to!

We also welcomed Tammie Rodriguez, past student exchange member, visiting the Central Valley. Tammie was here for the 2008/2009 school year and attended Immanuel. After returning to Brazil, she finished her studies and entered Medical School, where she is in her last year of study. Tammie spoke to the club and shared how meaningful her year of study in our city was to her.
