Last Week ~ May 9

President Denny introduced Buddy Mendez, Fresno County Supervisor, as our speaker. Buddy oversees District Four in our County. He is also on the board of directors of about 19 boards. He is the chairman of the San Joaquin Valley Air Quality Control Board. Buddy lives in Riverdale and farms about 1800 acres in the Lanair and Stratford areas. He lamented about the new class of unexperienced political operatives that have no real world experience in business, farming, manufacturing, etc. Buddy said that Temperance Flat Dam is still a

possibility and the project is not dead.

The bell ringers were: **Chuck Bohn** for his birthday; **Jerry Linscheid** for the birth of his first grandchild; **Jena Maciel** for being appointed the president of the newly commissioned, "Central Valley Passport Rotary Club"! Jena is very excited and proud to be leading a new club after being asked to do so by our District Governor. They are newly chartered and have 20 members. They will meet once per month and have a project for each month.
