Last Meeting – November 8

John Merrill gave the program himself, as his guest speaker had to cancel. John spoke about meeting with the owners of Hotel Burgess here in Reedley. He said that the owners, Wendy and her husband, purchased the hotel and have since done extensive remodeling and work on the hotel. Its been brought up to a first class hotel that Reedley can be proud of. John hopes to have them come and speak here at Rotary sometime. He mentioned that he is working on a future program that will feature the owner of the Hillcrest Christmas Tree Farm. In addition to the Christmas Tree Farm, the owner

also builds and restores small trains for places such as Disneyland. John spoke a bit about his workplace, Les Schwab Tires. He is the manager at the new Reedley store and has been there since it opened about three years ago. John appreciates the community and being a part of it.

Also last week, **President Denny** invited Rhonna up front and presented her with a gift of a check, as she begins her maternity leave. Rhonna works very hard to keep the books for the club. We all appreciate her and wish her well.
