Last Meeting – November 15

President Denny Mason presented our guest speaker, Mr. Rene Alatorre of the Reedley Boys and Girls Club. Rene has been with the organization for 19 years and loves his work. He feels rewarded to see young lives changed. He is honored to be a positive role model for them. The Club leaders help tutor students with the 'Power Hour'. The kids do homework or read books, as well as learn how to fill out financial aid forms and job applications. The kids are even taught some job etiquette

and ethics lessons. The Club has a program called 'Safer Choices', instruction on avoiding dangers and warnings of teen pregnancy. The Club also has the 'Keystone Program' where they give back to the community. About 30 kids attend on a regular basis. The Club is open from 3:00 pm to 7:00 pm. Rene explained how we could be hands on in getting the word out to our town about this valuable program.
